

PATRICIA

JINETE PROFESIONAL
DRESSAGE RIDER & TRAINER

SÁNCHEZ

To whom it may concern,

My name is Patricia and I am a professional rider of Dressage. After four years studying in the Royal Andalusian School of Equestrian Art at Jerez de la Frontera and having been Rafael Soto's student, among others, my main aim and eagerness is to continue my career in this wonderful world.

My target is competition. It is the best way to express the great amount of time destined to long hours training, achieving the best way to let the horse express itself in the arena.

Thank you in advanced.

Yours sincerely,

Patricia Sánchez Aparicio
